

The March meeting was held at the lake.

No business meeting. Club has 19 members and \$750 in treasure.

The club now has 5 members with DF65, so maybe we'll have races on the 2nd Saturday of the month.

Clinic discussion was rules.

There were 7 members present.

Subjects discussed were:

Starting rules

Entering the zone right away and giving room.

Zone rules are different at windward and leeward marks. I had missed that.

Finish line rules.

Establishing right of way going down wind.

Don had two boats on the the water to demonstrate some of the rules.

Since there were only seven members present most everyone got to participate in the discussion.

After the clinic some races were run.

Those present were:

Don Verhaeghe

Ken Hegy

Rich Roberts

Kent Broadhead

Denny Hansen

Richard Byran

Chuck Drake
