Skippers:

We held the DF 65 final regatta today. Five skippers were in attendance and initially the lake was smooth as glass, not a ripple in sight. We setup on the south shore and hoped for some wind. It was chilly, but with the sun mostly out it was not that cold. Of course the fact that there was no wind helped with the cold, but that doesn't work very well for a sailing regatta. After waiting for twenty minutes or so we did get a touch of breeze and we ran the first race. While it was still very light we were able to navigate the course going east around a single buoy and to the west around another single buoy and then finish. It stayed light throughout the morning with a few small puffs from time to time. We did manage to get in seven races. Stew Williams was first with ten points, David Myer was second with 13 and Chuck Drake was third with 15 points. It was quite pleasant to be out in the fresh air and the sun was particularly welcome. See the attached results! Hopefully Don can put the season results into the spreadsheet.

Best to all the DF 65 skippers that competed this year. We had quite a few new members due to the addition of the DF 65 fleet.
