

June 19, 2021

We had a record number of skippers on the water today for the June DF65 regatta. Eight boats were on the line. Unfortunately we had very light winds at start time and we setup on the South shore. Winds were quite light for the entire regatta. Mostly we sailed to the single bouy set to the northeast and used the front starting line. A lot of close racing ensued and a good time was had by all!

Here are the results! When Don has time he can update the season spreadsheets.
