Hello Skippers,

Today was supposed to be the final DF65 regatta of the 2022 season. Just like the final Victoria regatta, we had to cancel this one. Too much snow and too little heat. I noticed the pond near my house was frozen over today..

The DF65 fleet was able to complete 6 regattas over the season. Based on our approach of counting approximately 2/3 of the total regattas in the final results, 2 regattas are discarded for the final season results. They are shown below and also attached to this email.

We had 12 skippers compete in at least one of the regattas this season. The DF65 class is growing well!

The top 5 places for the DF65 class this season are as follows:

5. Ken Jochim	3.84 pts (Avg/month)
4. Rodney Pearcey	3.37 pts
3. Stew Williams	2.53 pts
2. Denny Hanson	1.66 pts
1. Barry Hight	1.45 pts

Congratulations to all the DF65 skippers who competed this season!

See you at the pond!

Don
